DESCRIPTION

2014 Cadillac ATS 2.5L RWD

This 2014 Cadillac ATS 2.5L RWD is powered by a 2.5-liter 4-cylinder engine paired with an automatic transmission. It has 112,438 km on the odometer and has been fully serviced, maintained, and professionally detailed. Finished in Mocha Steel Metallic over a Jet Black interior with matching accents, this ATS presents cleanly and has been kept in strong mechanical condition. Inside, the cabin offers a driver-focused layout with supportive seating, a leather-wrapped steering wheel, a digital driver display, and Cadillac's signature interior trim finishes. The ATS is known for its balanced chassis, precise steering, and rear-wheel-drive dynamics, giving it a more engaging feel than many sedans in its class. -----
