DESCRIPTION

2017 Honda Civic Hatchback Sport HS CVT LOCAL VEHICLE

What defines a Premium Used Car? Victoria is a great source for premium used cars. Our city has an almost Mediterranean climate and avoids the salt and rock damage prevalent in many places in Canada. Driving distances are also shorter, creating the ideal environment to create low mileage cars. Only the best examples are kept and then only if they pass our rigorous 110-point inspection. Once successfully inspected, the service is brought up to date, and any reconditioning required is performed before the car is offered for sale. A full history is always available to the buyer, and we recommend you look closely at the detailed pictures provided showing the exceptional condition of our inventory. Our specialists can discuss your trade.
